**Interim Meeting Report:** David Rose recapped the saga of the minute supporting Religious Diversity, originally created to in response to HR 535 "Year of the Bible" but then rewritten in support of HR 771 declaring a "Year of Religious Diversity". After both versions of the minute had gone through the process of coming from a Monthly Meeting then being reviewed and approved by Quarterly Meeting and forwarded to Yearly Meeting, PYM at last Interim Meeting approved the minute which opposes governmental preference in matters of religious conviction.

**Newton MM Annual Report** given by Wendy Kane. Complete report available. Wendy highlighted the current discussion regarding internal communication in the Meeting with the interesting concern of whether too much time was spent advancing communication being considered. Also highlighted was the clearness committee that met to discussion

She noted that since the meetinghouse is off the electrical grid, she can report that hurricane Sandy did not disrupt power. She highlighted that the meeting has a concern about the safety of drivers going around the turn in front the meetings as a number of them have missed the turn and driven off the road. Members are constructing a berm. The meetinghouse recently served as a movie location for “The North Star”, a film under production. She also advised us that the meeting will be starting a “cushion project” to replace the current old and mismatched cushions. .

**Camp Onas Report** given by Beth Taylor (Plumstead MM). Printed Annual Report provided which contained a breakdown of Camper Statistics, Quaker Meeting participation, and financial aid granted. She was happy to report that Camp Onas made it fine through the storm (Sandy). Sue Gould retired this year as Director and the transition has been made to Holly Hecht. Work has been completed on a digitized album of Camp Onas pictures and historical records called “The Onas Chronicle”. A “**Minute of Appreciation for Suzan Neiger Gould**”, listing all of the various ways that she has helped the camp survive and prosper was given to her at a farewell even. It was agreed that the entire “**Minute of Appreciation**” **would be included in the record of this Quarterly Meeting.** Further discussion indicated that Friends can contribute to Camp Onas both individually and through their Meeting. Each Meeting should have two representatives on the Camp Board and also share in the worship service. Friends were reminded that the most important thing you can do to help is to send your kids. Friends were also reminded that registration is coming out shortly and Camp is usually fully booked by March.

**Audit Committee Report** given by Marian Hepurn (Solebury MM). The complete report is available. The transition to QuickBooks is still in process and the committee noted that a proper reconciliation of FY2011 and GFY 2012 is still necessary. The following recommendations were made: Continue to properly reconcile the income statements and balance sheets for FY 2011 and GFY 2012; Consider the utilization of electronic banking services; Reconcile meeting accounts that are out of balance; Make determinations on the authority of the Treasurer regarding the Friends Fiduciary Account and when proper to move money into it; Appoint an Assistant Treasurer, and appoint Auditor for new term. The Audit committee recognized the work that the Treasurer had done on the conversion to Quick Books.

**Treasurer’s Report** given by Tim Dwyer (Bristol MM). The complete report is available.

Contributions are in line with past year and there are no problems to report. The explanation provided for the large amount already spent from the Operating expense line item is the purchase of a computer for the Coordinator.

**Budget and Nomination Report** given by Betsy Bayardi (Wrightstown MM): Monthly Meeting Treasurers throughout the Quarter have regularized their giving pattern which is a great help in planning. PYM Nominating Committee is restructuring as it is working well with fewer members and therefore will not need additional representation from Bucks Quarter. There is a need for representation on the Chandler Hall Board, especially

for someone with construction experience. Quaker School at Horsham also has a need for representation on their Board. Betsy will be reaching out to Monthly Meetings for Assistant Treasurer recommendations.
