FROM OUR DOYLESTOWN MEETING FRIENDS

Pastoral Concerns Letter to Doylestown Meeting

January 2017

As we move into the new year with all its uncertainties and challenges there is an awareness that there are deep rifts in our country and our communities, and these divisions have many people experiencing fear, anger and frustration. The Quaker principles of simplicity, peace, integrity, community, equality, and stewardship endure. As Quakers, we strive to provide spiritual hospitality; our meeting house is a place to experience unity, connection, dialogue and mutual respect. We do not allow violence, hate, bigotry and threat to enter our worship space. We want everyone who walks through our doors to feel safe.

We respect all individuals and hope that members will reach out to those who think differently and listen. We encourage members to speak out in support when the basic rights of people are threatened or people are made to feel unsafe, excluded and afraid. We implore members to resist efforts to divide us and instead focus on our similarities. We hope that members will support efforts to unite people, like music, art and theater; and commit to oppose hatred, division, racism, homophobia, Islamophobia sexism and gender-based violence.

Simplicity, peace, integrity, community, equality, and stewardship. These are our values. This is what we have always stood for and we will continue to stand for them.

In the coming months and years, our community will continue to foster dialogue about the important issues facing our country and retain our commitment to the social causes that speak to us and align with our values.

FRIENDS MUSIC CAMP

Friends Music Camp, a Quaker-run music camp which takes place at Earlham College in Richmond, Indiana has openings for this summer.

FMC is open to campers from 10 to 18 years old at all musical levels. Session run from July 9 to August 6, 2017. For campers between 10 and 12 years old, there is an option for a two-week session only, which runs from July 9 to July 23.

During the summer, campers attend lessons, sing in the chorus, play in large and small ensembles, act in a musical theater production, take classes, and, of course, have ample time for hanging out and having fun. FMC ask that prospective campers have had lessons for at least one year on their chosen instrument, OR that they have participated in a school orchestra, band or choral program for at least one year. Evening activities include capture the flag, a dance, outside speakers, visits to the local pool, and other fun activities. Both students and staff perform at weekly recitals and on weekend concerts. This is a wonderful experience for any young music student. For more information visit www.friendsmusiccamp.org.
