Most of us over the age of 40 are not richly plugged into social media and we need your help to guide us. All ages are welcome and needed but especially the age groups that make up our future. We need your vision of the future of Quakerism and how to get that word out.

Dr. Shannon is an inspiring speaker about what truly works to combat poverty and hunger. Join us for a discussion of the work of Mercer Street Friends and how Friends can support the summer camp program this summer 2014. This summer program helps parents work because they know their child is in a safe nurturing environment. It helps children keep up study skills over the summer. It feeds children nutritious meals.

The goal this year is to send 60 children to the summer camp program. Join us to learn the how and the why of supporting Mercer Street Friends. If you cannot join us, will you please consider a donation to this worthy Quaker-affiliated cause? To send a child to the summer camp is the goal!
